OBJECTIVE

Aspiring Full Stack Developer with expertise in React, Node.js, and MongoDB, seeking to leverage my skills in building scalable, user-friendly web applications. Passionate about integrating AI-driven solutions to enhance user experiences.

EDUCATION

Bharati Vidyapeeth Deemed University, DET	**Kharghar, Navi Mumbai**
Bachelors in Technology, Computer Science and Engineering	CGPA: 9.3
Competitive programming & Typing speed podium finisher (2nd)	2021 – 2025

EXPERIENCE

Full Stack Developer Intern at Codespeedy

AUGUST 2024 – NOVEMBER 2024   REACTJS, NODEJS

I interning at CodeSpeedy, where I have enhanced both the frontend and backend of the company's website. I revamped the dashboard for a more visually appealing user interface, tags, and markup formatting. Backend: optimized data retrieval and integrated algorithms for efficient blog tagging.

Front End Intern at Unified Mentor

SEPTEMBER 2023-JULY 2014   NEXTJS, REACTJS

I was responsible for designing and implementing UI components that aligned with company branding and user needs. Utilizing modern frameworks like Next.js, I contributed to a robust, efficient frontend architecture, helping deliver a polished, user-friendly platform that met high user expectations.

PROJECTS

Resume Analytics Tool (resume parser: ATS) in MERN Stack   Github

Developed a robust resume analysis tool proficient in parsing, ranking, and dissecting critical components of resumes, facilitating swift categorization into respective fields.

BIAS (Bot for Instant Assignment Solutions)   Github

Built on ReactJS, Tailwind CSS, and Node.js, this web application harnesses the power of GPT-3 and BARD API to streamline assignment generation. Users can effortlessly create assignments for college subjects with access to a repository of past papers, question banks, and lab experiments accompanied by their solutions.

InkBliss   Link

Built with Next.js and Tailwind CSS, InkBliss allows you to create, edit, and share documents, brainstorm on an intuitive whiteboard, and manage tasks—all in one place.

SKILLS
